## FEATURED HOME

Modern architecture and interior finishes give this home special flair. The living and dining area features a dramatic vaulted ceiling for an extra spacious feel. Its gourmet kitchen includes an oversized island, stainless steel appliances, granite countertops, and upscale birch cabinetry. A first-floor bedroom adjacent to a full bath is perfect for weekend guests or multi-generational living. The private, split master suite upstairs includes a generous walk-in closet and bath with separate soaking tub.

*There's still time to customize flooring, countertops, and cabinetry choices through Jenuane's Design Studio.*
