2 STORY · 2-CAR GARAGE

DESCRIPTION:

Enter from your two-car garage or the quaint covered porch into the expansive great room of this popular three-bedroom floorplan. Add a fireplace for cozy appeal and a multi-slider to the covered back porch to bring the outdoors in. Extra cabinetry is available for more storage space and the gourmet kitchen features ample wrap-around counter space and an oversized island. First floor powder bath and upstairs laundry room for convenience.
